Rules and Regulations

October 3rd

Exhibitors must submit their completed application and payment by September 18, 2020. You will be notified of your booth number and location through email.

This year, due to extenuating circumstances, booths will be assigned on a first-come, first-serve basis. We must have both your payment and application before a booth will be assigned.

Directions to enter the booth areas will be given when booth assignments are made. Exhibitors may begin setting up any time after 6 a.m. on October 3rd. Please unload and remove your vehicle before set-up if possible. All vehicles must be off the festival streets by 8:00 a.m.

Booths must be manned at all times. Each exhibitor is responsible for his/her booth space.

Oktoberfest volunteers will be visible on each street during the day to assist exhibitors during the festival. It is our desire to serve you. Your participation is what is crucial to a successful festival.

No vehicles will be allowed on Runnels, Bowie, Centre, or Houston streets prior to 5:00 p.m. unless there is an emergency. These streets are closed by the order of the De Kalb City Council and any vehicle on the streets prior to this time will be considered a liability and may be cited. All booths must be removed by 6:30 p.m.

Oktoberfest reserves the right to refuse booth rental or the sale of any item(s) in a paid booth that are found to not be in good taste or does not meet the common standards of the community. No snap pop, silly string, itching powders, stink bombs, knives, or any other item detrimental to the enjoyment of the public at large may be sold and/or given away. The Oktoberfest Committee reserves the right to warn violators once with expulsion upon the second complaint. Vendor fees will not be refunded.

Oktoberfest does not assist with the assembling or disassembling of booths.

No vendor will be allowed to set up on the day of the festival if the Oktoberfest Committee has not received his/her application. Any vendor doing so will be asked to leave.

As the event date gets closer, you will be informed of any necessary safety/health measures.
